FOR YOUR HEALTH AND WELL-BEING

At The Horse Institute®, client safety has always been a priority. Today we've taken that commitment to a whole new level. Precautions and protocol to keep the body healthy. Natural, expansive surroundings to provide respite for the mind and soul. Both critical in these challenging times.

SAFETY : Meeting -- often EXCEEDING -- both federal Centers for Disease Control and Prevention AND New York State requirements for safe business practices and social engagement.

PRIVACY: Hosting just one client team at a time. You will have our 30-acre facility to yourself for the duration of your program.

SOCIAL DISTANCE: From a 14,000 sq ft indoor arena, to a 1,400 sq ft country conference space, to a grassy great lawn, all of our meeting venues are spacious, well ventilated and comfortable for social distancing as you meet, dine, conduct individual/private business or take a walk on break.

PPE: Individual face masks, hand sanitizer, disposable gloves and tissue packs available at all times. Plus, PPE stations in common meeting, eating and restroom areas are stocked with hand sanitizer, disinfectant wipes and paper towels; wiped down by our staff throughout the day.
